- and much more!

Mrs. Cindy Annan has over thirty years of experience as an educator, including time spent as a grade school teacher, a preschool teacher and a homeschooling parent for five of her seven children. She holds a B.S. degree in Elementary Education and has been the Director of Oakview UMC Preschool since 2003. She also has been actively involved in church ministries as a pastor's wife, directed nurseries, taught Sunday School classes, developed a ladies' missionary circle, worked with teenagers, and directed a preschool aged Bible club.

Mrs. Annan, along with the teachers and the church's Weekday Ministries Board of Directors, put their experience and education into a high quality Christian based learning program for your child. Learning should be fun, and it is at Oakview UMC Preschool!

The classes are small, which is great for a lot of one on one attention. - Christine Hathaway, parent

The curriculum is designed to ensure a smooth transition to [kindergarten] and I have seen the wonderful results!

- Dale Boone, grandparent

This program was an answer to our prayers. - The Carter Family

Oakview is more than just a preschool, but rather a second family, a home. - Lea Bowyer, parent of two alumni

A place where learning and fun go hand in hand!

Oakview UMC Preschool

A place where learning and fun go hand in hand

Oakview UMC Preschool has been educating preschoolers since 1997. We employ highly qualified, experienced, creative and loving staff and are proud to offer small class sizes with low teacher-to-child ratios.

Average Teacher to Child Ratios:

Infants 1:3,
1s - 1:4, 2s - 1:6,
3s - 1:8, 4s - 1:12

At Oakview UMC Preschool, we incorporate Christian principles into a thematic learning curriculum based on the National Association for the Education of Young Children (NAEYC) guidelines and suggestions.

We are a not-for-profit organization, so all tuition and fees go directly toward the quality education of your child.

Parent participation is encouraged and welcomed!

Our Goals

- Provide children with an exciting environment that incorporates Christian principles into daily activities, curriculum and everyday life.
- Help children bridge the gap between home and school.
- Give opportunities for children to achieve school readiness skills and to socialize with other children their own age.
- Allow for a self-expression, investigation and participation in a group setting.
- Maintain a balance between independent and teacher-guided activities.
- Provide warm and loving adults to encourage and guide children to grow and develop at their own pace.
- Help children develop self-respect and a respect for others by sharing, taking turns, cooperating and listening to adults.
- Develop a strong academic foundation to help ensure a successful transition to kindergarten.
- Provide a place where ...
"Learning and fun go hand in hand!"
